PWD reported more meters were	

installed over this past month, lagoon baffle was destroyed during the December storm, and fire extinguishers were inspected.

Fire Department reported they completed their fire training burn on Wayne Street, 2 new firemen joined the department, possibly looking at a newer truck from the DNR. As township fund will be deposited into a sub-fund within general starting with June payment, expenses will be split 50/50 between the city's general budget and the township budget effective July 1, 2022. There are some lights that needs to be replaced in the fire station also the outlets along the west wall still do not work properly. It was suggested bigger breakers need to be installed to support the electrical load being used in the outlets.

Clerk reported her furnace was partially fixed, new computer being installed 1/13/2022, Engineer was in town working on the water treatment project report, confirmed with PWD we have generators at the

water treatment plant for back-up power if we were to lose electricity, clock motors have been replaced and old ones sent in for repair and council wants to move forward with the purchase of the cemetery module through gWorks.

No one was in attendance for the public forum.
