Mayor Schmidt opened the public hearing for the 2022 State Street Reconstruction Project at 5:33 PM. Sue Whitehurst questioned the Alliant Energy utility pole placement in front of her property at 1245 State Street. City Engineer Sweers will work with her and the utility to learn more. It was noted that residents in the construction area need to write their address on recycling bins so contractors can quickly and accurately return them after the recycling is collected. With no additional comments, Mayor Schmidt closed the meeting at 5:57 PM.

Due to inclement weather warnings, Juhl motioned to adjourn the Council Meeting at 6 PM and Jenniges seconded that motion. Motion carried 5-0.
