Explanation of significant increases in the budget:

The City of Garner continues to be financially responsible in maintaining and meeting the needs of an active and growing community. The needs of FY 2022-2023 are supported by a tax levy which has remained stable for over 30 years. A few of the current areas that impact the tax levy are: utilities and vendor supplies due to inflation, street improvements, required police and fire department equipment needs and planning for future recreational needs.
