## NOTICE OF PUBLIC HEARING

A public hearing will be held at 5 p.m. on June 23rd, 2021, at the USDA Building, 255 Hwy 69 S, Garner Iowa, on the question of the adoption of proposed amended soil loss limit regulations for the lands in the Hancock County Soil and Water Conservation District. All person who are likely to be affected by the amended regulations may attend and will be given an opportunity to present their views concerning the amendments.

In addition to attending in person, the meeting will be available to the public on FREECONFERENCE-CALL.com by calling 978-990-5000 and using access code 653270#.

The regulation changes will establish allowable rates of soil loss by wind or water erosion based on the newest published soil survey information for lands in the county. The rates of erosion expressed in tons per acre per year are proposed to be set for (1) agricultural lands, (2) non agricultural lands, and (3) construction sites. For agricultural (farm) land, the proposed soil loss limit will be set for each soil type and will vary from one to five tons per acre per year.

The proposed amended soil loss limit regulations are on file and may be reviewed at the Hancock County Soil and Water Conservation District office, 255 Hwy 69 S, Garner, Iowa, prior to the date of the hearing.

If special accommodations are needed, please contact the Hancock SWCD one week prior to the hearing by calling 641-923-2837 ext 3.
