sons or damage property. 2. Wind Resistance. Whenever any portion of a building, or any member, appurtenance or ornamentation on the exterior thereof is not of sufficient strength or stability, or is not so anchored, attached or fastened in place so as to be capable of resisting a wind pressure of twenty (20) pounds per square foot.

3. Material Deterioration. When-

ever any portion thereof has

wracked, warped, buckled, or set-

other structural portions have materially less resistance to winds or earthquakes than is required in the case of similar new construction. 4. Various Inadequacies. When-

ever the building or structure, or

for the purpose of supporting such

building; (d) the deterioration, de-

cay or inadequacy of its foundation;

or (e) any other cause, is likely to

tled to such an extent that walls or

any portion thereof, because of (a) dilapidation, deterioration, or decay; (b) faulty construction; (c) the removal, movement or instability of any portion of the ground necessary

partially or completely collapse. 5. Manifestly Unsafe. Whenever, for any reason, the building or structure, or any portion thereof, is manifestly unsafe for the purpose for which it is being used.

6. Exterior Walls. Whenever the exterior walls or other vertical structural members list, lean or buckle to such an extent that a plumb line passing through the center of grav-

ity does not fall inside the middle one-third of the base. 7. Deterioration. Whenever the building or structure, exclusive of the foundation, shows thirty-three (33) percent or more damage or deterioration of its supporting member or members, or fifty (50) percent damage or deterioration of its non-supporting members, enclos-

ing or outside walls or coverings.

8. Damaged Structurally. When-

ever the building or structure has been so damaged by fire, wind, earthquake or flood, or has become so dilapidated or deteriorated as to become (a) an attractive nuisance to children; (b) a harbor for vagrants, criminals or immoral persons; or as to (c) enable persons to resort thereto for the purpose of committing unlawful or immoral acts 9. Inadequate Maintenance. Whenever a building or structure, used or intended to be used for

dwelling purposes, because of inad-

equate maintenance, dilapidation,

decay, damage, faulty construction

or arrangement, inadequate light.

wise, is determined by any health

officer to be unsanitary, unfit for human habitation or in such condition that it is likely to cause sickness or disease 10. Fire Hazard. Whenever any building or structure, because of obsolescence, dilapidated condition. deterioration, damage, inadequate exits, lack of sufficient fire-resistive construction, faulty electric wiring, gas connections or heating apparatus, or other cause, is determined by the Fire Marshal or Fire Chief to

be a fire hazard.

11. Public Nuisance. Whenever

any building or structure is in such a condition as to constitute a public nuisance known to the common law or in equity jurisprudence. 12. Abandoned. Whenever any portion of a building or structure remains on a site after the demoli-

tion or destruction of the building or structure or whenever any building or structure is abandoned for a period in excess of six (6) months so as to constitute such building or portion thereof an attractive nuisance or hazard to the public.

6-10-4 NOTICE OT OWNER. The enforcement officer shall examine or cause to be examined every building or structure or portion thereof reported as dangerous or damaged and, if such is found to be an unsafe building as defined in this chapter, the enforcement officer shall give to the owner of such building or structure written notice stating the defects thereof.

This notice may require the owner

or person in charge of the building

or premises, within forty-eight (48)

hours or such reasonable time as

the circumstances require, to com-

mence either the required repairs or

improvements or demolition and removal of the building or structure or portions thereof, and all such work shall be completed within ninety (90) days from date of notice, unless otherwise stipulated by the enforcement officer. If necessary, such notice shall also require the building, structure, or portion thereof to be vacated forthwith and not re-occupied until the required repairs and improvements are completed, inspected and approved by the enforcement officer. (Code of Iowa, Sec. 364.12 [3hi) 1. Notice Served. Such notice shall be served by sending by Certified Mail to owner of record, according to Section 364.12[h] of the Code of Iowa, if he shall be found

by registered mail or certified mail. The designated period within which said owner or person in charge is required to comply with the order of the enforcement officer shall begin as the date he receives such notice. 2. Hearing. Such notice shall also advise the owner that he may request a hearing before the Council on the notice by filing a written

within the City limits. If he is not

found within the City limits such ser-

vice may be made upon said owner

provided in the notice. 6-10-5 CONDUCT OF HEAR-ING. If requested, the Council shall conduct a hearing in accordance with the following:

request for hearing within the time

1. Nature. The owner shall be served with written notice speci-

fying the date, time and place of hearing 2. Owner's Rights. At the hearing,

the owner may appear and show cause why the alleged nuisance

shall not be abated. 3. Determination. The Council shall make and record findings of

fact and may issue such order as it deems appropriate. 6-10-6 POSTING OF SIGNS. The enforcement officer shall cause to

be posted at each entrance to such building a notice to read: "DO NOT ENTER. UNSAFE TO OCCUPY.

CITY OF KANAWHA, IOWA." Such notice shall remain posted until the required repairs, demolition, or removal are completed. Such notice shall not be removed without written permission of the enforcement officer and no person shall enter the building except for the purpose of making the required repairs or of demolishing the building. 6-10-7 RIGHT TO DEMOLISH. In

case the owner shall fail, neglect, or

refuse to comply with the notice to repair, rehabilitate, or to demolish and remove said building or structure or portion thereof, the Council may order the owner of the building prosecuted as a violator of the provisions of this chapter and may order the enforcement officer to proceed with the work specified in such notice. A statement of the cost of such work shall be transmitted to the Council

(Code of Iowa, Sec. 364.12[3h3)

6-10-8 COSTS. Costs incurred

under 6-10-7 shall be paid out of the City treasury. Such costs shall be

charged to the owner of the prem-

ises involved and levied as a spe-

cial assessment against the land on which the building or structure is located, and shall be certified to the County Auditor for collection in the manner provided for other taxes. (Code of Iowa, Sec. 364.12[3h3) SECTION 2. SEVERABILITY CLAUSE. If any section, provision or part of this ordinance shall be adjudged invalid or unconstitutional. such adjudication shall not affect

the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional. SECTION 3. WHEN EFFCTIVE. This ordinance shall be in effect

from and after its final passage, approval and publication as provided by law.
